## **Upgrade to Roman Way Play Area Further Boost for Smannell Road Open Space**

We're delighted to announce that TVBC are investing £33k to upgrade the play facilities on the Smannell Road open space.

The work at Roman Way will see a £30,000 investment to refurbish the play area, which includes repainting, updating the multi-play unit and improvements to surfacing. An additional £3,000 will be spent on surface refurbishment of the "Ditch Disc" in the teen play area.

Having delivered a new purpose built skatepark last year, this is yet another boost for our recreation area and for Alamein Ward.

The project will be tendered in May and the work will be completed later this year.
